Melissa Lowry

Art Exhibit at the Whitmore Library in Sept. and Oct.

Bob Ithurralde and Karen McCoy- The Library is wonderful to work with. They advertise and provide the building and give instructions on hanging the art. The banner they put on the street has no year on it so it can be used over and over.

Meet and Greet the Artist Night –date?-October 13<sup>th</sup> at 7 PM.  
Could we have background music and reimburse the performer monetarily or with a gift certificate? Becky K. will ask Wendy Merrell to play the piano.

When

Where

Vote?

Melissa Lowry is interested in producing again. Maradon declines the pro team and would prefer to act.

Karen will do publicity.

Melissa suggests to start from scratch for the pro team with preferences toward last years production people.

Becky H will look up royalties.

The play we choose should meet the following criteria:

- at least one large group scene

- family friendly

- name recognition

- reasonable royalty fees

- available costumes

- simple set

Suzanne Neddo wrote down several names of plays the city might do in the upcoming 5 years. It would be fun to start off at the new facility at Butler Middleschool with *Peter Pan*. We could use the overhead flying track.

Next Meeting: October 12, 2011 at 5:30
